## **NEWS RELEASE**

### ***Optimal Geomatics Invitation to the 2009 Third Quarter Financial Results Teleconference Call***

*September 26, 2008 at 8:00AM PDT (11:00AM EDT)*

**Vancouver, B.C.** - Optimal Geomatics Inc. TSXV: OPG ("Optimal"), a geomatics solutions provider to engineering and geospatial professionals, will be holding a teleconference on September 26, 2008 at 8:00 am Pacific Time, 11:00 am Eastern Time and 4:00 pm Greenwich Time to discuss the financial results for the 2008 third quarter, hosted by Colum Caldwell, President and Chief Executive Officer.

The Company would like to extend an invitation to all interested parties to participate in the teleconference by dialing **604-899-4201** for Vancouver callers or **416-883-7132** for callers outside Vancouver, then dial pass code **41285#**, approximately five minutes before the call is scheduled to begin. A recording for the conference call will be available following the call until October 10, 2008 by going to [www.optimalgeo.com](http://www.optimalgeo.com).

Optimal Geomatics specializes in the science and technology of gathering, analyzing, interpreting, distributing and using geographic information. Optimal applies the disciplines of surveying, mapping, remote sensing, geographic information systems (GIS), and global positioning systems (GPS) to provide solutions for engineering and geospatial professionals.
